

STS. CONSTANTINE AND HELEN CATHEDRAL CHOIR

CONGRATULATIONS on your engagement and upcoming wedding!

You are both probably overwhelmed by all the preparations and concerns as you anticipate entering into the sacrament of marriage, the mystical tri-unity with Christ, reflecting the perfect love of the Trinity. There are probably many details you may not have considered, even with the marriage ceremony itself. Each couple may have their Own unique circumstances, and so **the presence of the choir at each service is not automatic**; you should indicate a preference for having the choir sing the responses when you are making arrangements with Fr. Stephen. To help the choir in their scheduling, and to insure that there will be sufficient numbers of singers available on you wedding date, please complete the short intent form below:

It is customary to make a donation of \$150 to the choir for their services (check made out to Sts. Constantine and Helen Choir). **Our organist will be responsible for accompanying the choir during the service.** (Should you wish to secure the services of the church organist for music before and after the service you may want to work out arrangements with him for specific requests and selections. His usual honorarium is \$100.00)

Since marriage, like the eucharist, is a sacrament, the service is pretty much established, although there is some latitude in certain areas (which language will be used, who will read the epistle, etc.). It would be wise to go over some of these details with the choir director so there are no "surprises" during the wedding.

If there are any other special considerations or requests, please call the church office at (216-932-3300, or call Dennis directly at (440)352-0194.

May your wedding day be a beautiful event, and may God bless your marriage.

Please select which of the following you request:

_____ choir and organist during service (\$150.00)

_____ choir and organist during service as well as organist before and after service (\$150 + \$100 = \$250.00)
