Denny's Dabblings...

Yesterday was a good day...

Yesterday was a good day for us as we celebrated Father's Day. We had a good attendance and a good offering. This was the second Sunday in a row that our attendance has reached the 200 mark. We need to continue in this trend. Make certain that you are faithfully attending the worship times.

We want to extend our congratulations to some of our teenagers who just returned from a week of Senior High Camp. Three of our teens were baptized last week at camp – **Colton Wood, Jennifer Benton, and Ariel Harr.** One teen, **Jonathan Montieth,** is to be baptized this Wednesday evening. We are proud of our teens and are happy for their decisions.

This coming Lord's Day, we will get back into our current sermon series, **Messages From Peter.** The sermon will be *"Rules For Good Living"*, taken from 1 Peter 3:8-17. Read the Scripture this week a few times and it will help you prepare for the message.

I want to say 'Thank You' to our VBS workers. They really put forth a lot of hard work and effort in teaching young people about the Lord and His love for each of them. I appreciate so much those who make the commitment each year to help in this important endeavor. I also want to congratulate our workers and our youth on the offering that was received. We talked to them on Sunday evening about the Mid-India Christian Mission and Jay Henry. A goal was set for \$175.00, which would buy a male and female goat. I am so glad and proud to say that the total offering was **\$409.69.** This will enable us to purchase

two sets of goats. This will be a tremendous help for the people of India.

Here is a little puzzle for you. What is 750,000 miles long? It could wrap itself around the earth 30 times and it grows an additional 20 miles longer with each passing day? Do you give up in trying to figure this out? This is the line of people on earth who do not know Jesus. That's some startling information, isn't it? To think that many people living on earth today, right now, do not know Jesus Christ. The tragedy is that according to the Scriptures, *"anyone whose name was not found written in the book of life was cast into the lake of fire."* – Rev. 20:15. This ought to cause us great concern for those who do not know Jesus, whose names are not written in the book of life.

Let's bring this down to a more personal level. I am sure that out of that 750,000 miles and growing line, there are people that you and I know. There are family members and friends, co-workers and other acquaintances. What are you doing to keep your family and friends from being cast into the lake of fire? Have you talked with them to present the gospel story and what they need to do in order to be saved? Consider where you would be today if someone had not taken the time to talk to you about Jesus Christ and salvation. You can reach someone for Jesus Christ. Make this a matter of sincere prayer and then make the time to speak with them and encourage them to accept Christ.
