MYSTERY PREACHER EXCHANGE!

This Sunday, March 7th, Central will be participating in the Mystery Preacher Exchange. We will have a guest preacher and you will find out who he is when you come for church services. I will be going to another church to preach. This is a fundraising event for Howell's Mill Christian Assembly. The money we would normally spend for a guest speaker will be sent to the church camp. The purpose of this program is to promote our church camp. Be sure to be here Sunday morning and hear the Mystery Preacher. I will be back for the Sunday evening service, Lord willing.

Mystery Preacher Exchange, Sunday, March 7th ...

Speaking of church camp our young people should be receiving information about the weeks of camp for this summer. Students can register online this year. I want to encourage our young people to be sure and register for a week of church camp this summer. This can be one of the greatest experiences of your life. Any student that needs help in registering for camp or if you just need additional information, contact us in the church office and we can help you.

Yesterday I began the sermon series on **"One Month To Live"**. My hope is that we will actually participate in this program and apply the principles that are talked about in the sermons. Yesterday we talked about 'Living Passionately.' We learned that we need to 'do something drastic', 'expect the unexpected', 'create God space', and 'keep a constant reminder.' You were given one of the green wristbands to wear as your constant reminder. If you knew you had only one month to live surely you would do things differently. You will focus on the things in life that are most important. As I asked in the sermon yesterday, 'Why wait to live like that?' We can and we should be living our lives with a passion now. We should be focusing on the people we love.

In the coming weeks we will be looking at the principles of 'Loving Completely', 'Learn Humbly', and 'Leave Boldly.' I really believe this will be a very effective activity for our lives if we will participate and do what the program calls for. I would encourage you to get the book written by Kerry & Chris Shook. There is reading for each day of the 30 days. You can also get online at www.onemonthtolive.com. This will give you a lot of information to help you through this one month.

We are very quickly coming to the time when we celebrate the resurrection of Jesus. Easter Sunday is April 4th this year. There are some special programs in line to help us in our celebration of this very special time. The Easter drama, *"The Power Of His Touch"* will be presented on Thursday and Friday, March 25-26. We are planning to do the Sunrise Service at Mound Park again this year. Watch for more information about this. We had a good turnout last year. This year I would hope we can reach more of the community for this program. On Easter Sunday evening, April 4, we will be hosting The Blackwood Quartet for a special program of gospel music. These events will be very helpful in our celebration of the resurrection of Jesus Christ. Also we want to have a **"FRIEND DAY"** on the Sunday following Easter. We will do this on April 11th. Be thinking now about your friends you want to invite to our services for this day. Let's do all we can to encourage our friends and neighbors to be with us for this day. It may be a day they will never forget and could change their lives for eternity.
