Trinity Lutheran Church uses photos of Sunday School children and youth for communications such as newsletters, web pages and bulletin boards.

Parent/Adult involvement

At Trinity we recognize that parents are the primary faith mentors of children. We also accept the responsibility and privilege of nurturing the faith of the children within our community. All parents/adults are encouraged to become actively involved in Education Ministry. We will train and support you as we partner to lead children to know and love Jesus. You'll find that your own faith will grow!

Age levels I/we prefer to work with:

Pre-School Elementary Middle School Senior High Adult (Planning Committee)
