We will post the "presbytery meeting documents" on our www.riversidepresbytery.org website.

We primarily rely on commissioners and pastors to go to our website, read the packet online, print the pages you need prior to the meetings, and bring those documents with you to the meetings.

- If you do not have internet access, find someone now who is willing to be your "packet partner" for each meeting.
- ***Beginning now through February 10***, go to www.riversidepresbytery.org and click on "Documents" in the toolbar at the top of the home page.

On the documents page you'll find the presbytery packet for the upcoming meeting. Note that the documents are in PDF format; there is a free link to the reader software if you need to download it. [Foxit Reader Link](#) (Mac users use Adobe Reader)

- Read the documents and print the pages to bring with you to the meeting.
 - If all else fails, a limited number of packets will be available at the meeting location prior to start of the meeting.

We thank you for your support and consideration in this effort. Your full preparation for the meeting will make it possible for the Presbytery to be faithful and efficient as we exercise our corporate judgment. Please call Mario at (909) 881-1595 if you have any questions or email him at riversidepresbytery.info@verizon.net

When you register at the meeting, please be certain to pick up a manila folder of materials.

There will be information included that will be of interest to you and your church. Some of this info may not be given verbally; but all are important.

We look forward to seeing you Saturday, February 11, 2012 for the LEaD Event and the Presbytery meeting.
