We will be posting the "presbytery meeting documents" on our www.riversidepresbytery.org website.

We will primarily rely on commissioners and pastors to go to our website, review the packet online, print any of the pages they need prior to the meetings, and bring those documents with them to the meetings.

- If you do not have internet access, find someone now who is willing to be your "packet partner" every other month.
- ***Beginning now through March 11th*** , go to www.riversidepresbytery.org and click on "Documents" in the toolbar at the top of the home page.
- **Most documents will be posted by March 4th.**

On the documents page you'll find the current presbytery packet for the upcoming meeting. Note that the documents are in PDF format; there is a free link to the reader software if you need to download it. [Foxit Reader Link](#)

- Read the documents and print the pages to bring with you to the meeting.
 - If all else fails, a limited number of packets will be available at the meeting location prior to start of the meeting.

We thank you for your support and consideration in this effort. Please call Mario at (909) 881-1595 if you have any questions or email him at riversidepresbytery.info@verizon.net

When you register at the meeting, please be certain to pick up a manila folder of materials.

There will be information included that will be of interest to you and your church. Some of this info may not be given verbally; but all are important.

We look forward to seeing you at the Saturday March 13th 2010 meeting.
