PRAISE REPORT

- ❖ I've just returned from a business trip to Guam where we experienced FAVOR overflowing from a smooth schedule to lovely hotel rooms, successful meetings and meals blessed with great food and fellowship. When I returned to Honolulu I was seated next to a six year old girl who told me that she had been afraid to be seated by herself as her mother was working the flight as a flight attendant. I thought the Lord had placed me there to take care of her. She told me all about her family, friends and school and life. The blessing I received of pure joy and happiness from talking to that precious child was a thousand times the companionship I provided for her. God is so good!. Donna
