

# ABRAHAM DARED TO TRUST IN GOD'S PROMISES

The Lord promised Abraham some land in a foreign country. And when Abraham and his wife were too old to have children, the Lord promised them a son. The Lord also promised Abraham that he would have many descendants and that the world would be blessed because of his family. Then when Abraham's son Isaac was still a young boy, the Lord told Abraham to offer him as a sacrifice. Abraham was confused and did not understand how the promise could be kept if he sacrificed Isaac. Yet Abraham trusted God's promise and Isaac was spared. Then many years later the most famous of Abraham's descendants was born. His name is Jesus Christ, and all the world is blessed because of him.
