

JACOB DARED TO LET GOD CHANGE HIS LIFE

The name Jacob can mean “Cheater” or “Sneaky.” And Jacob was very much like his name. For example, in a very sneaky way he cheated his older brother out of his share of what their father would have left them when he died. One night Jacob wrestled with God, and as a result his name was changed to Israel, which means “A Man Who Wrestled with God.” Although Jacob made many mistakes and often disobeyed God, the Lord was still willing to forgive him and use him to bless others.
