Dear Loved Ones,

Greetings ,once again, from Santa Rosa, Honduras. The climate here is similar to springtime in Alabama. We are so enjoying the cool nights. "Praise God from whom all blessings flow!!!

We will be helping Randy and Linda Travis with the group that is coming. We are looking forward to meeting new people and seeing some we already know and love. The ladies will be painting a school. The men will be drilling a well. We will all be doing Bible studies and kid's meetings.

Dick and I will be returning to the states in June. We will be doing mission's services and kid's crusades in June, July and August. We plan to return to Honduras in September.

There are many things happening here in the political realm. These "things" have the power to affect our lives and work here. We ask you to pray for Honduras, the people and the government.

Please pray for us as we travel through Guatemala and Mexico on our return trip to the states We are hearing that there is great political unrest in Guatemala. Mexico is having a hard time with the flu. We always remember you in our prayers and thank God for you.

In His Service,

Dick & Pat
