"And He

Took them (kids)  
up in His arms,  
put His hands  
upon them,  
and blessed them."

Mark 10:16

KIDS: We must  
take them up in  
our arms and  
Bring them to  
Jesus.

Dear Loved ones,

Greetings from Honduras.

I pray that this finds you, your family and the church family well.

I am writing you from Honduras where I will be until the 9<sup>th</sup> of Oct. Pat is in the US taking a medical translator class at Sanford University.

At this time all is well here, but please continue to pray for the political unrest, especially for the elections in November.

I am working with Bro. Randy, Linda, Keith and Juanita Travis and the Honduran HCPM (Honduras Church Planting Movement) team to get Bible studies, copied and sent out to the over 120 house Bible studies that have been started. They are multiplying faster than Randy and the team can keep up with. We took Bible studies and equipment to Catacamas located in the center of Honduras. While there I was ask by the leaders of the churches to do children's meetings and a teachers training seminar. (Many kids came to Jusus.) These House Bible Studies that are future churches need ministry to the thousands of children who are the coming Christians that will change Honduras and all the nations of the world. Please pray as we take these studies and share Jesus with kids and adults in many villages, all over Honduras.

I will be back in the US the first of Oct. I plan to return to Honduras in November. While in the States we plan to speak in as many meetings as possible. We will be raising funds and collecting cassette Players and duplicators to take back. If you have these items and would like to send them to Honduras; Please contact us at the email or phone # which is listed below. Also let us know if we can come and share with your church or group while we are in the US.

In Jesus Love
